ABOUT TPL DIRECT INSURANCE LTD.

TPL Direct Insurance (TDI) is the first insurance company in Pakistan to sell general insurance directly to the consumer. We were launched in 2005 and since then have grown from strength-to-strength, delivering superior and hassle-free risk management services to individual clients. In 2015, we were partnered with Greenoaks Global Holdings Limited (GGH). This relationship has bolstered our position in the market, with robust and sustainable financial backing, administration processes and technology-driven innovation that reinforces our ability to lead the way in the Insurance Industry in Pakistan.

TDI has won the Brand of the Year award for every consecutive year since 2007 for the Best Motor Insurance Company.

THINK CONVENIENCE. THINK AUTO DIRECT.

TPL Auto Direct gives you a comprehensive coverage for your vehicle, including the use of a car tracking facility at no additional annual monitoring charge with additional charges in premium. Be it a total loss, stolen or accidental damage, you can contact us 24x7 through our contact centre, or our Yodelee app and our team will take care of repair arrangements at an authorised workshop.

TDI'S SERVICES
