# **Directors' Report**

### FOR THE THREE MONTHS PERIOD ENDED 31 MARCH 2023

On behalf of the Board of Directors, I am pleased to present the condensed interim financial statements of the Company for the three months period ended March 31, 2023.

During the period, the Company reported Gross Written Premium ("GWP") of Rs. 1,030 million Vs Rs. 921 million at Q1 2022 (including Window Takaful Operations), registering a growth of 12%.

The Company's motor insurance portfolio reported GWP of Rs. 702 million compared to Rs. 663 million a year ago. GWP from Property business reported increase of Rs. 76 million (growth of 87%). Marine business reported growth of 10% year on year. The Company reported profit before tax of Rs. 23 million (QI 2022: loss before tax of Rs. 85 million), including results of Window Takaful operations.

Political and economic uncertainties continued to impact the business climate during the period. Discount rate was increased from 16% to 20% by the Central Bank, while PKR devalued 26.6% during the period declining from Rs.224.14 to Rs. 283.72 against USD. Motor Assemblers have increased vehicle prices multiple times during the period, with significant production cuts. Although increase in discount rate will improve the investment income on fixed income portfolio in the period to come, the increase in discount rate, decline in motor sales, coupled with current political and economic situation poses risks may impact the industry growth during 2023.

We would like to thank all our stakeholders, business partners, Pakistan Stock Exchange, SECP and staff for their continued support.

For and on behalf of the Board of Directors
