TPL INSURANCE PROFILE AND SERVICES:

TPL Insurance Limited (formerly TPL Direct Insurance Limited) was incorporated in Pakistan as

public limited company under Companies Ordinance 1984 (now Companies Act, 2017) to carry out general insurance business. The company was allowed to work as Window Takaful Operator on September 4, 2014 by Security Exchange Commission of Pakistan (SECP) under SECP Takaful Rules, 2012.

TPL Insurance Limited have grown from strength-to-strength, delivering superior and hassle-free risk management services to clients which include:

- Auto Direct
- Home Direct
- Health Direct
- Travel Direct
- Property
- Engineering
- Marine

Our position in the market has bolstered, with robust and sustainable financial backing, administration processes and technology-driven innovation that reinforces our ability to lead the way in the insurance industry in Pakistan.

PURPOSE:

The purpose of this Request for Proposal (RFP) is to contract with a qualified firm which can provide, install, deploy and configure HPE Store Ever MSL2024 Tape Library in accordance with latest technology being used in the market.

SCOPE:

TPL intends to procure latest technology equipment for their Infrastructure, which includes HPE StoreEver MSL2024 Tape Library. All the necessary Licenses, software and hardware must also be proposed with the Solution. No component whatsoever would be provided by TPL. Licenses should be with single vendor with one-year principal backed OEM support for software and 3 years for Hardware along with local support.

AWARD CRITERIA:

Enter the criteria that will be used to determine the award.

Criteria #1 – 100% Compliant Technical Solution with lowest bid price.

Criteria #2 – Country-Wide Local Certified Team and OEM Support Available.

RFP CONTACT:

Owais Shahid Khan & Fahad Iftikhar Khan will be the sole contact for this RFP. Communication with any other TPL Insurance employee or consultant during the RFP period is not permitted, and may result in your company being disqualified from the evaluation process.
